Al's Moving and Storage  
120 Fulton Street  
White Plains, NY 10606

Dear Al:

Well, thanks to you and your excellent staff and moving crew our move from Greenwich to Rye went off on schedule and without a problem last month!

During my business career we have moved six times and our September move was by far the smoothest and I wanted to ask you to pass along our thanks to Benjie and his crew. The packers/putaway crews did an excellent job - not one item lost or broken!

Thanks again,

John C. Brown
