Dear Al,

I was very pleased with my moving crew on Saturday 05/29. They arrived on time, were careful with my furniture, efficient, and polite.

If and when I move again, and I hope it is no time soon, I won't hesitate to call Al's Moving. I will gladly recommend your company to others.

I only wish the forwarding of my mail went as smoothly as the move!

Thank you once again.

Sincerely,

Merrili Tilton
